

2019 Golf League Meeting

Monday, April 1st 2019 at 5:30pm – LWCC Clubhouse

Valuable Information Regarding the 2019 League Program at LWCC

Tee Times for Monday Night League

***We will begin handing out Numbers at 5pm at the Registration Table in the clubhouse. The first person in line at the registration table at 5pm will get the first pick when we begin issuing Tee Times for Monday Night near the end of the meeting. The 2nd person in line will get the 2nd pick and so forth. We expect there to be a line forming prior to 5pm, so if you would like have a chance to secure one of the more popular tee times we suggest that you arrive early.

Pace of Play / Etiquette

As far as pace of play we expect each group to complete their 9 hole rounds in 2 Hours and 15 minutes. 5-Somes are not allowed! All groups must have 4 players or less. In the past, some of our late evening tee times have struggled to finish before sundown when daylight hours are shorter. Please make an effort to keep pace with the other groups as needed.
